

INFOCUS COURSEWARE

Microsoft Publisher 2016

Product Code: INF1635

ISBN: 978-1-925526-55-4

 General Description 	The skills and knowledge acquired in <i>Microsoft Publisher 2016</i> are sufficient to be able to create publications such as flyers, newsletters and labels.
Learning Outcomes	At the completion of this course you should be able to: • work with the basic features of <i>Publisher</i> • create a new publication • understand concepts essential to the use of <i>Publisher</i> • understand how to work with text • understand different techniques for working with text • insert building blocks into a publication • insert and modify shapes • insert and modify pictures • create, use and modify a table • create publications based on different layout and design options • use master pages effectively • conduct and customise a mail merge • create a catalogue merge • save and share a publication in several different ways • find the information you need in <i>Help</i>
Prerequisites	<i>Microsoft Publisher 2016</i> assumes little or no knowledge of the software. However, it would be beneficial to have a general understanding of personal computers and the Windows operating system environment.
Topic Sheets	145 topics
✤ Methodology	The InFocus series of publications have been written with one topic per page. Topic sheets either contain relevant reference information, or detailed step-by-step instructions designed on a real-world case study scenario. Publications can be used for instructor-led training, self- paced learning, or a combination of the two.
 Formats Available 	A4 Black and White, A5 Black and White (quantity order only), A5 Full Colour (quantity order only), Electronic Licence
 Companion Products 	There are a number of complementary titles in the same series as this publication. Information about other relevant publications can be found on our website at www.watsoniapublishing.com .

This information sheet was produced on Monday, August 08, 2016 and was accurate at the time of printing. Watsonia Publishing reserves its right to alter the content of the above courseware without notice.
