> ➢ draw objects using the **Pen** tool
> ➢ apply a range of **Illustrator** effects
> ➢ understand how to save and export in a variety of file formats to suit different purposes, and to print an **Illustrator** document

❖	**Target Audience**	**Adobe Illustrator CS6** is designed for users who want to learn how to create vector based graphics for design, webdesign and desktop publishing material.
❖	**Prerequisites**	**Adobe Illustrator CS6** assumes some knowledge of the software. However, it would be beneficial to have a general understanding of personal computers and the Windows operating system environment.
❖	**Pages**	188 pages
❖	**Nominal Duration***	Watsonia Publishing *Modules* are based around a 2-day training program consisting of approximately 14 – 16 hours
❖	**Student Files**	Many of the topics in **Adobe Illustrator CS6** require you to open an existing file with data in it. These files can be downloaded free of charge from our web site at www.watsoniapublishing.com. Simply follow the student files link on the home page. You will need the product code for this course which is **INF544**.
❖	**Methodology**	The In Focus series of publications have been written with one topic per page. Topic sheets either contain relevant reference information, or detailed step-by-step instructions designed on a real-world case study scenario. Publications can be used for instructor-led training, self-paced learning, or a combination of the two.
❖	**Formats Available**	A4 Black and White, A5 Black and White (quantity order only), A5 Full Colour (quantity order only), Electronic licence
❖	**Companion Products**	There are a number of other complimentary titles in the same series as this publication. Information about other relevant publications can be found on our web site at www.watsoniapublishing.com.

* Duration relates to study time only and does not include assessment time. Duration should be used as a guide only. Actual duration will vary depending upon the skills, knowledge, and aptitude of the participants. This information sheet was produced on Tuesday, July 23, 2013 and was accurate at the time of printing. Watsonia Publishing reserves its right to alter the content of the above courseware without notice.
