

Microsoft Word 2007 Level 2

Ideal for Short Courses: 1 day (6 – 8 hours)

General Description	<p><i>Microsoft Word 2007 Level 2</i> extends the learner's basic skills and knowledge of Microsoft Word 2007 and helps them create more intricate and varied documents. Existing skills and knowledge are enhanced by covering more advanced aspects of key topics such as formatting, tables, and lists, and new features such as merging, envelopes, sections, clip art and graphics are introduced. This publication is ideal for people who work in offices, for clubs or charities where there is a requirement to produce more intricate documents.</p> <p>This publication assumes an understanding of Microsoft Word requisite with the skills and knowledge covered in Level 1 of this series. It is also important for learners to have a general understanding of personal computers and the Windows operating system as the learner will be required to start applications, work with and copy files, and locate file folders.</p>
Learning Outcomes	<p>At the completion of this courseware participants will be able to:</p> <ul style="list-style-type: none">• Set Word options to more easily access files and information• Work with multiple, concurrent documents• Further enhance documents and text using advanced formatting features• Use tabs, and work with bulleted and numbered lists• Create enhanced tables• Use timesaving features such as Building Blocks, styles and templates• Partition longer documents into sections• Create headers and footers in documents• Create letters, envelopes and labels• Perform mail merges• Incorporate pictures, drawings and WordArt into documents.
