

# Microsoft Word 2010

Level 3

INFOCUS COURSEWARE

Level Series

Order Code: INF1012 ISBN: 978-1-921721-48-9

## ❖ General Description

The skills and knowledge acquired in this course are sufficient to be able to use and operate the software at an advanced level especially as it relates to creating more complex documents and also automating document procedures.

## ❖ Learning Outcomes

At the completion of this course you should be able to:

- apply various page layout techniques
- save a document to **PDF** and view it in a **PDF** reader
- customise mail merges
- insert and work with text boxes
- create and work with **SmartArt**
- create and use building blocks
- create, use and delete bookmarks
- create and work with a table of contents in a document
- create and work with an index in a document
- understand, insert and work with fields in a document
- create and use interactive fields.
- create and work with master documents
- understand and use the tracking feature in **Word**
- create and remove several forms of protection for your document
- create and work with electronic forms in **Word**
- create and work with macros
- insert content from other sources

## ❖ Target Audience

**Microsoft Word 2010 Level 3** is designed for users who are keen to extend their understanding and knowledge of Word beyond creating basic documents.

## ❖ Prerequisites

This course assumes an understanding of the topics and concepts covered in Levels 1 and 2. It would also be beneficial to have a general understanding of personal computers and the Windows operating system environment.

## ❖ Pages/Duration

191 pages. Levels publications are based around a 1-day training program consisting of approximately 6 – 8 hours

## ❖ Student Files

Many of the topics in **Microsoft Word 2010 Level 3** require you to open an existing file with data in it. These files can be downloaded free of charge from our web site at [www.watsoniapublishing.com](http://www.watsoniapublishing.com). Simply follow the student files link on the home page. You will need the product code for this course which is **INF1012**.

## ❖ Methodology

The **In Focus** series of publications have been written with one topic per page. Topic sheets either contain relevant reference information, or detailed step-by-step instructions designed on a real-world case study scenario. Publications can be used for instructor-led training, self-paced learning, or a combination of the two.

## ❖ Formats Available

A4 Black and White, A5 Black and White (quantity order only), A5 Full Colour (quantity order only), Electronic licence

*\* Duration relates to study time only and does not include assessment time. Duration should be used as a guide only. Actual duration will vary depending upon the skills, knowledge, and aptitude of the participants. This information sheet was produced on Tuesday, July 16, 2013 and was accurate at the time of printing. Watsonia Publishing reserves its right to alter the content of the above courseware without notice.*
