❖ **General Description**

This course aims to enhance existing Microsoft Word skills by covering more specific documentation creation aspects such as working with multiple documents, formatting in tables, styles, merging, and working with pictures and illustrations.

❖ **Learning Outcomes**

At the completion of Microsoft Word 2010 Level 3 (with Practice Extensions) you should be able to:

- apply various page layout techniques
- save a document to **PDF** and view it in a **PDF** reader
- customise mail merges
- insert and work with text boxes
- create and work with **SmartArt**
- create and use building blocks
- create, use and delete bookmarks
- create and work with a table of contents in a document
- create and work with an index in a document
- understand, insert and work with fields in a document
- create and use interactive fields.
- create and work with master documents
- understand and use the tracking feature in **Word**
- create and remove several forms of protection for your document
- create and work with electronic forms in **Word**
- create and work with macros
- insert content from other sources

❖ **Target Audience**

Microsoft Word 2010 Level 3 (with Practice Extensions) is designed for Microsoft Word users who are keen to extend their understanding and knowledge of the software beyond basic document creation.

❖ **Prerequisites**

Microsoft Word 2010 Level 3 (with Practice Extensions) assumes a basic understanding of Microsoft Word 2010 and the creation of simple documents. It would be beneficial to have a general understanding of personal computers and the Windows operating system environment.

❖ **Pages/Duration**

218 pages. Levels publications are based around a 1-day training program consisting of approximately 6 – 8 hours

❖ **Student Files**

Many of the topics in Microsoft Word 2010 Level 3 (with Practice Extensions) require you to open an existing file with data in it. These files can be downloaded free of charge from our web site at www.watsoniapublishing.com. Simply follow the student files link on the home page. You will need the product code for this course which is **INF1052**.

❖ **Methodology**

The **In Focus** series of publications have been written with one topic per page. Topic sheets either contain relevant reference information, or detailed step-by-step instructions designed on a real-world case study scenario. Publications can be used for instructor-led training, self-paced learning, or a combination of the two.

❖ **Formats Available**

A4 Black and White, A5 Black and White (quantity order only), A5 Full Colour (quantity order only), Electronic licence
