- work with document properties
- create and apply styles
- manage styles in a document or template
- create and work effectively with themes
- create and use templates
- learn how to work with section breaks
- insert headers and footers into a document
- create and work with headers and footers in long and complex documents
- create and edit recipient lists
- perform a mail merge from scratch
- produce address labels from a mailing list
- customise mail merges
- draw and format shapes
- work extensively with shapes
- insert and work with text boxes
- manage and manipulate text boxes
- use table features to improve the layout and format of tables
- enhance and correct pictures

## Learning Outcomes

- Microsoft Word 2016 - Level 2 (with Challenge Exercises) assumes a basic understanding of the software. It would also be beneficial to have a general understanding of personal computers and the Windows operating system environment.

## Prerequisites

Microsoft Word 2016 - Level 2 (with Challenge Exercises) assumes a basic understanding of the software. It would also be beneficial to have a general understanding of personal computers and the Windows operating system environment.

## Topic Sheets

243 topics

## Methodology

The InFocus series of publications have been written with one topic per page. Topic sheets either contain relevant reference information, or detailed step-by-step instructions designed on a real-world case study scenario. Publications can be used for instructor-led training, self-paced learning, or a combination of the two.

## Formats Available

A4 Black and White, A5 Black and White (quantity order only), A5 Full Colour (quantity order only), Electronic Licence
