

INFocus COURSEWARE

Adobe Dreamweaver CC

Level 2

Product Code: INF1783

ISBN: 978-1-925873-51-1

❖ General Description

The skills and knowledge acquired in **Adobe Dreamweaver CC - Level 2** are sufficient to be able to work with various advanced aspects of Dreamweaver CC including working with the Creative Cloud, CSS inheritance and specificity, responsive web design, Photoshop integration and much more.

❖ Learning Outcomes

At the completion of this course you should be able to:

- understand and work with your **Adobe** account
- understand how to create **CSS** styles
- structure text using **HTML**
- control text formatting with **CSS**
- control image properties through **HTML** and **CSS**
- insert different types of media into webpages
- understand and use **Extract** in **Dreamweaver**
- collaborate and work with others effectively
- understand and work with elements of responsive web design
- understand jQuery **UI** and how to use it
- perform advanced coding
- understand and work with **CSS** selectors and the concepts of inheritance and specificity

❖ Prerequisites

Adobe Dreamweaver CC - Level 2 assumes some knowledge of the software. Also, it would be beneficial to have a general understanding of personal computers and the Windows operating system environment.

❖ Topic Sheets

99 topics

❖ Methodology

The InFocus series of publications have been written with one topic per page. Topic sheets either contain relevant reference information, or detailed step-by-step instructions designed on a real-world case study scenario. Publications can be used for instructor-led training, self-paced learning, or a combination of the two.

❖ Formats Available

A4 Black and White, A5 Black and White (quantity order only), A5 Full Colour (quantity order only), Electronic Licence

❖ Companion Products

There are a number of complementary titles in the same series as this publication. Information about other relevant publications can be found on our website at www.watsoniapublishing.com.

This information sheet was produced on Tuesday, August 07, 2018 and was accurate at the time of printing. Watsonia Publishing reserves its right to alter the content of the above courseware without notice.
