

INFocus COURSEWARE

# Adobe Dreamweaver CC

Level 1

Product Code: INF550

ISBN: 978-1-925298-15-4

## ❖ General Description

The skills and knowledge acquired in **Adobe Dreamweaver CC - Level 1** allow you to set up a new website, create and modify webpages, insert text and images, and much more.

## ❖ Learning Outcomes

At the completion of this course you should be able to:

- understand how you can use **Dreamweaver**
- navigate the **Dreamweaver** interface
- understand and work with views
- set up a **Dreamweaver** website
- create and work with a webpage
- add text to a web page
- create and edit **CSS** rules and apply them to text
- manage layouts using **CSS**
- insert and modify images into a web page
- construct hyperlinks from a web page to other resources
- use the **Help** menu and access online help resources
- upload and test a website

## ❖ Prerequisites

**Adobe Dreamweaver CC - Level 1** assumes little or no knowledge of the software. However, it would be beneficial to have a general understanding of personal computers and the Windows operating system environment.

## ❖ Topic Sheets

110 topics

## ❖ Methodology

The InFocus series of publications have been written with one topic per page. Topic sheets either contain relevant reference information, or detailed step-by-step instructions designed on a real-world case study scenario. Publications can be used for instructor-led training, self-paced learning, or a combination of the two.

## ❖ Formats Available

A4 Black and White, A5 Black and White (quantity order only), A5 Full Colour (quantity order only), Electronic Licence

## ❖ Companion Products

There are a number of complementary titles in the same series as this publication. Information about other relevant publications can be found on our website at [www.watsoniapublishing.com](http://www.watsoniapublishing.com).

*This information sheet was produced on Monday, July 27, 2015 and was accurate at the time of printing. Watsonia Publishing reserves its right to alter the content of the above courseware without notice.*
