

INFOCUS COURSEWARE

ICAICT204A Operate a Digital Media Technology Package

Microsoft Word and PowerPoint 2013

Product Code: INF956

ISBN: 978-1-925298-53-6

❖ General Description

The skills and knowledge acquired in ICAICT204A Operate a Digital Media Technology Package are sufficient to be able to identify, select and use a digital media package to produce a variety of media rich documents within a small to large office environment.

❖ Learning Outcomes

At the completion of this course you should be able to:

- identify and set up elements that constitute safe and healthy computer usage
- identify the requirements of a design brief, and identify and select the best application for the job
- use **Microsoft Word** for creating simple digital designs
- use **Microsoft PowerPoint** for creating simple electronic presentations
- review and make final changes to a digital media design created in **Microsoft Word**
- review and make final changes to a digital media design created in **Microsoft PowerPoint**

❖ Prerequisites

ICAICT204A Operate a Digital Media Technology Package assumes some knowledge of both Microsoft Word 2013 and Microsoft PowerPoint 2013, as well as a general understanding of personal computers and the Windows operating system environment.

❖ Topic Sheets

63 topics

❖ Methodology

The InFocus series of publications have been written with one topic per page. Topic sheets either contain relevant reference information, or detailed step-by-step instructions designed on a real-world case study scenario. Publications can be used for instructor-led training, self-paced learning, or a combination of the two.

❖ Formats Available

A4 Black and White, A5 Black and White (quantity order only), A5 Full Colour (quantity order only), Electronic Licence

❖ Companion Products

There are a number of complementary titles in the same series as this publication. Information about other relevant publications can be found on our website at www.watsoniapublishing.com.

This information sheet was produced on Thursday, April 23, 2015 and was accurate at the time of printing. Watsonia Publishing reserves its right to alter the content of the above courseware without notice.
